

It's hard to believe but golf in Minnesota is not far off, we'd like to be your course of choice in 2014 and beyond.

The golf shop will open starting March 15 and will be open Tuesday-Sunday from 10-5 until the course opens.

The golf shop is once again stocked with the best in golf equipment including TaylorMade and Adams golf lines - featuring the new SLDR and Jet Speed products from TaylorMade - come in for a fitting or to try out our demo clubs, the new SLDR Driver is the hottest new club on the market.

NEW this year! We are renovating the golf course; all new bunkers, better drainage, newly designed green complexes and surrounding areas - the course will be more amazing when completed and will be completely open during renovation. Follow the progress on our new website with information, pictures and updates.
